A light gray world map is centered on the page. The island of Taiwan is highlighted in a bright yellow color. Overlaid on the map is the text "Healthcare System in Taiwan is World No.1" in a bold, orange-red font. The word "is" is smaller and positioned below "Healthcare System in Taiwan". The phrase "World No.1" is larger and has a yellow rectangular background behind it.

We've come across and worked with Garage+. It was a very precious and fruitful opportunity for us to meet many global Taiwanese tech giants. We definitely would like to attend whatever Garage+ will host.

- CEO, Masato Fujino 藤野真人

The program gave us really a good chance to connect with potential manufacturing companies and investors in Taiwan. Garage+ supported us very much in their program. I recommend participating in it if you are seeking to expand globally.

- COO, Sumitaka Maruyama 丸山純孝

I was worried before starting but the Garage+ staff follow us during the presentation. I appreciate for giving me the opportunity to interact with each company.
