

# Nanovie Auto Tip Maker

Batch Production of Ultra Sharp Tips  
for STM, Probe Stations or Nano-Machines

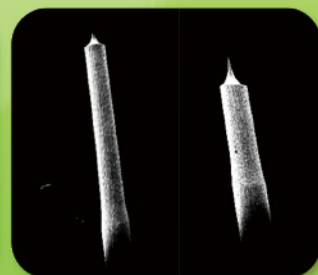

Manipulation

Atomic Imaging

Nano-Probing

Molecular Drill

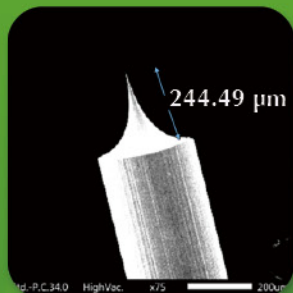

## World Unique Features

\* Single Push Button Operation

\* Tip Curvature Radius ~ 15 nm

## Tips for STM

Tapered Cone

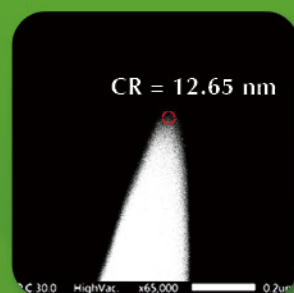

Tip Apex

## Tips for Probe Stations

Tapered Cone

Tip Apex

# Nanovie STM Phaino

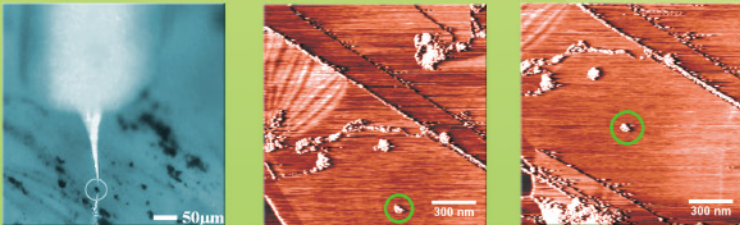

Scanning Tunnelling Microscope  
for Spatial Imaging, Electronic Spectroscopy & Lithography

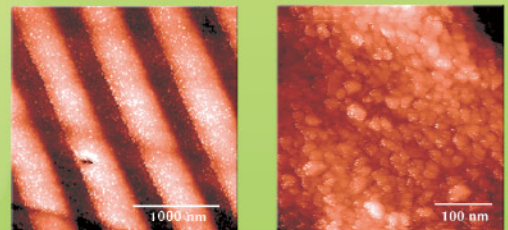

Locating the nano-structures is a breeze with Nanovie's world unique moving and zooming features.

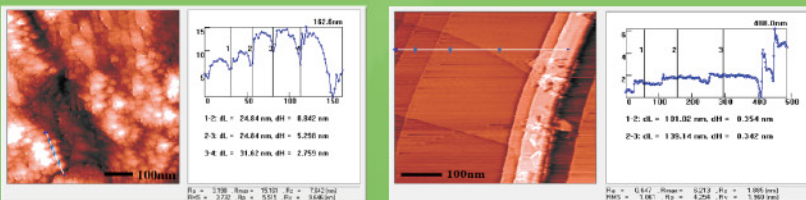

## Nano Positioning Motor Stage

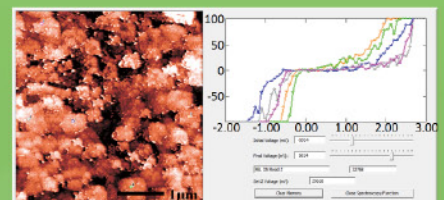

## Switchable Dual Scanners

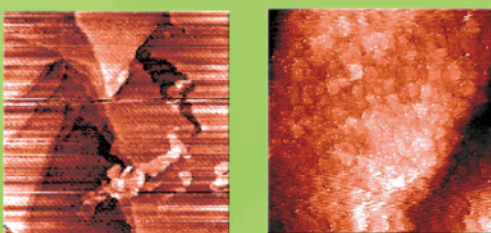

## Nanoscale & Atomic Morphology

## I-V Curve

## In-Liquid Scan

## Nano Lithography
